My Doctors and Pharmacist

If you see more than one doctor, it's important that they know who else is treating you and what they are treating you for.

Name of My Primary Care Physician*	Phone Number

In addition to my primary care physician, I am also being treated by:

Name of Physician	Phone Number	I am being treated for:

Name of My Pharmacist
Phone Number

* Your primary care physician is the one who monitors your overall health.

new prescription drug coverage beginning January 1, 2006

My Medicine Record

Here's a handy record of your medications.

Name of My Medicine	What Do I Use it For?	How Much Do I Take?	When Do I Take It?	When Did Start/ Stop Taking It?
Calcium	Bones	600 mg	Twice a day with meals	01/01/05 03/30/05

Keep this with you and show it to your doctors, pharmacist or nurse.
